

Use of Cookies

This website uses cookies to better the users experience while visiting the website. Cookies are small files saved to the user's computers hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors.

This website uses tracking software to monitor its visitors to better understand how they use it. This software is provided by Google Analytics which uses cookies to track visitor usage. The software will save a cookie to your computers hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information. You can read [Google's privacy policy](#) here for further information.

Other cookies may be stored to your computers hard drive to identify you and your authorised login in order to provide you with continued access to certain exclusive sections of the website. Such cookies typically expire after 30 days, though some may take longer. No personal information is stored, saved or collected.
